## A Rainy Day

Today is a rainy day. The raindrops are falling from the sky. I like to watch the rain. I see puddles on the ground. I wear my rain boots and jump in the puddles. The flowers and trees are getting watered by the rain. It sounds like music when the rain hits the roof.

I stay inside with my cozy blanket. I read a book and color pictures. The rain makes everything look shiny and clean. Sometimes I hear thunder, but I am safe inside my house. I like rainy days because they are cozy and calm.
