## Mia's First Game

Mia was excited because today was the day of her first soccer game. She put on her cleats, grabbed her water bottle, and ran out to the field. Mia's team, the Tigers, was playing against the Lions. The sun was shining, and the grass was green and soft.

As the game started, Mia felt a mix of nervousness and excitement. She remembered what her coach had taught her during practice - to pass the ball to her teammates and to always try her best. Mia's friend, Sarah, passed the ball to her, and Mia dribbled it towards the goal. She kicked the ball with all her might and scored a goal! The crowd cheered, and Mia felt proud.

The game went on, and Mia's team played hard. They passed the ball, defended their goal, and worked together. Mia even got to be the goalkeeper for a little while. The Tigers won the game, and Mia was thrilled. She couldn't wait for the next soccer game.
