The Little Kite

Once there was a little kite named Sunny. Sunny loved to fly up high in the sky and dance with the clouds. Every day, Sunny would wait for the wind to blow just right, and then, with a leap and a twirl, up into the sky she would go.

Sunny's best friend was a butterfly named Rosie. Rosie would flutter around Sunny as she soared through the air, laughing and playing together. They were the best of friends, always having fun under the bright, blue sky.

One day, a strong gust of wind came and carried Sunny far away from Rosie. Sunny was scared at first, but she remembered what her mom had told her - "Believe in yourself, Sunny, and you can go anywhere!" With those words in her heart, Sunny bravely rode the wind, soaring higher and higher.

After a long journey, Sunny finally landed back home next to Rosie. Rosie was so happy to see Sunny safe and sound. They hugged each other tightly, grateful for their friendship and the adventures they shared.
